

Kingdom	Phylum	Class	Order	Family
ANIMALIA	CHORDATA	ACTINOPTERYGII	SALMONIFORMES	SALMONIDAE

<b>Scientific Name:</b>	<i>Hucho ishikawae</i>
<b>Species Authority:</b>	Mori, 1928
<b>Common Name/s:</b>	English – Korean Taimen

### Assessment Information [\[top\]](#)

<b>Red List Category &amp; Criteria:</b>	Data Deficient <u>ver 3.1</u>
<b>Year Published:</b>	2012
<b>Assessor/s:</b>	Rand, P.S.
<b>Reviewer/s:</b>	Weiss, S. & Pollock, C.M.
<b>Contributor/s:</b>	
<b>Justification:</b>	The only information we were able to acquire for this species was the names of rivers that were known to support the species. These presumably reflect historic distribution. To our knowledge, no recent field surveys have been conducted to determine current status. The current difficulty making contact with specialists in North Korea is a major impediment. Without any solid information on the species, we can only assess the species as Data Deficient.

### Geographic Range [\[top\]](#)

<b>Range Description:</b>	This species is known from the Am-nok River, Dok-ro River, Weon-ju River and Jang-jin River, in the border region between North Korea and China.
<b>Countries:</b>	tive:

	na; Korea, Democratic People's Republic of
<b>Range Map:</b>	<a href="#">Click here to open the map viewer and explore range.</a>

### Population [\[top\]](#)

<b>Population:</b>	No data are available on population size or trends for this species.
<b>Population Trend:</b>	? Unknown

### Habitat and Ecology [\[top\]](#)

<b>Habitat and Ecology:</b>	There is no information available on ecology or specific habitat requirements for this species.
<b>Systems:</b>	Freshwater

### Threats [\[top\]](#)

<b>Major Threat(s):</b>	There is no information available on current or potential threats to this species.
-------------------------	--

### Conservation Actions [\[top\]](#)

<b>Conservation Actions:</b>	There is no information available on any conservation actions in place for this species. Some research is required to gather data to be able to assess the status of this fish.
